

SOLARIA TRADING CO., LTD

International Supplier of Used Construction Machinery

EST. 2006 • SHANGHAI, CHINA • GLOBAL TRUSTED PARTNER

CONTENTS

01

About Us

Your trusted partner in used construction machinery, dedicated to quality, transparency, and exceeding industry standards for over a decade.

02

Our Products

A comprehensive fleet of rigorously inspected excavators, bulldozers, loaders, and cranes, ensuring optimal performance for your projects.

03

Global Shipping

Reliable, cost-effective logistics solutions with door-to-door delivery, insurance coverage, and real-time shipment tracking worldwide.

04

Customer Cooperation

Building sustainable partnerships through flexible payment terms, professional after-sales support, and a customer-first approach to every interaction.

01. About Us - Your Trusted Partner

Established 2006 | Shanghai Headquarters

A premier supplier of high-quality used construction machinery, dedicated to delivering reliable, cost-effective solutions that bridge global supply and demand.

20+ Years of Trusted Expertise

Built on rigorous quality control, a diverse product portfolio, and customer-first service, ensuring excellence in every machine we deliver.

Global Distribution Network

Exporting to every continent via major platforms including Alibaba, Made-in-China, Mascus and Machineryline, connecting directly with international buyers.

Our Expert Team — Your Trusted Partner for One-on-One Service.

WHY CHOOSE SOLARIA?

20+ Years of Expertise

Deeply ingrained market knowledge and industry foresight, ensuring reliable guidance and strategic insights for every transaction.

Global Market Presence

Proven track record of exporting to diverse regions worldwide, with seamless logistics and successful project deliveries across borders.

Extensive Equipment Range

Curated selection covering a wide range of construction machinery categories, ensuring we find the exact machinery to match your project's specific requirements.

Uncompromising Quality Assurance

Every unit undergoes a rigorous, multi-point inspection by certified technicians to verify mechanical integrity, safety, and performance, guaranteeing a machine ready for immediate, reliable operation.

Dedicated Customer-Centric Service

Our team provides end-to-end support, from personalized consultations and targeted used machinery selection to seamless logistics coordination and post-delivery assistance, ensuring a smooth and satisfying purchasing experience.
